

100 DAYS OF PRAYER

July 12-18, 2026

SERIES 26: MAY 10 - AUG. 17, 2026

Begin with the prayer below, then go to the prayer for the day.

God of wisdom and mercy, grant us patience to listen; compassion to be open to other views and opinions; generosity to forgive and grace to change. As you taught us to love our dear neighbor, we pray that you give us strength to be healing instruments of unity and reconciliation.

DAY: 64 SUNDAY JULY 12	God of peace, I ask You to transform the hearts of national leaders who utilize war and violence for power over others. Swiftly bring a just and lasting peace to war zones like Ukraine and Iran. Bring healing, recovery and forgiveness.
DAY: 65 MONDAY JULY 13	Today I pray for masked members of white-supremacist groups. May they repent from their racist views and actions. Open their minds and hearts to embrace the dignity of all brothers and sisters in our diverse society.
DAY: 66 TUESDAY JULY 14	Today I pray for widespread confidence in election integrity and rejection of messages seeking to create a narrative of doubt to suppress voters. Help voters to make their voices heard without difficulty.
DAY: 67 WEDNESDAY JULY 15	Beloved God, You witness the suffering of people forced to migrate because of poverty, crime, and oppression. I ask for Your wisdom to identify solutions. May it begin with courage and generosity to welcome strangers among us.
DAY: 68 THURSDAY JULY 16	Today I pray for all who struggle with hunger due to rising prices and fewer assistance options. Enable me to collaborate with like-minded people to successfully remove barriers we create to the abundance You provide.
DAY: 69 FRIDAY JULY 17	Unifying Spirit, lead me to common ground with others by rejecting all-or-nothing extremist views. Guide all of us to let go of a win/lose approach that benefits few, and embrace cooperation and compromise for the common good.
DAY: 70 SATURDAY JULY 18	Creative God, You have given us great beauty and resources to sustain us in our common home. May businesses contribute to stewardship of our shared natural resources by minimizing plastic and other pollution.
